Re: Carl Lauren, Tyee Log Homes

To whom it may concern,

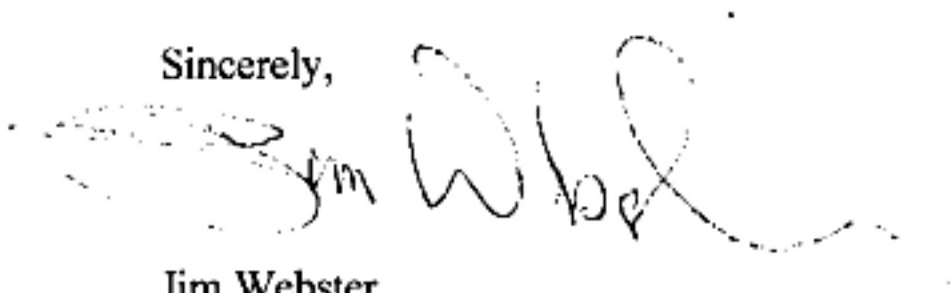

We had the pleasure of having Tyee Log Homes build our home in Kimberley, BC during the fall and winter of 2007/8. During that time we were in regular contact with Carl Lauren, of Tyee.

Carl had an excellent rapport with his employees and sub-contractors who all seemed to have a very high regard for Carl and enjoyed working for him. We found Carl to be straight-forward and honest in all our dealings. He took pride in his product and went to great lengths to ensure that our home was as we wanted and built to the highest standard.

Since moving into our home in April 2008 we've had nothing but compliments on the design and standard to which our home was constructed. I have no hesitation in recommending Carl as both builder and an individual of strong character.

Should you have any questions about my experience with Carl, I'd be happy to discuss those with you. I may be contacted at 250-427-8001.

Sincerely,
